Carer Registration Form

If you are a child or adult and look after a relative, friend or neighbour who could not manage without your help because of long term sickness, age or disability— and the care you provide is unpaid

YOU ARE A CARER

The term Carer should not be confused with that of a paid care worker or someone who acts as a volunteer attached to a voluntary organisation

Here at the surgery we are trying to put together a register of all our patients who are caring for others

The reason for this is to identify the number of Carers in the area to ensure that Carers are offered the help and advice that is available to assist and support them in their caring role

There are a number of services available to carers across Surrey, for further information call the Surrey County Council Adult Social Care Team on 0300 200 1005

or

Contact your local independent Carers Support scheme via the Contact Centre on 03456 009 009
